

Legal & Disclaimers:

HealthSure is not insurance but a membership payment plan provided by Germantown Dental and is not transferable to other dental offices. Payment for any cosmetic or restorative treatment is due at the time of service. Membership dues must be current in order to receive plan benefits. It is solely the patient's responsibility to schedule and keep their appointments. No refunds will be provided for dues paid under any circumstances, including failure to schedule and maintain appointments. If you acquire private or employer insurance coverage during your health savings plan period, no refund will be given for the Health Savings Plan membership and dental claims will be filed through insurance. The 20% discount does not apply to zoom whitening or invisalign costs.
